**MESSAGE FROM THE EXECUTIVE DIRECTOR—KAREN CROUSE**

**What a day, Friday, November 15, 2024 was! We had an awesome turnout for our ribbon cutting ceremony. Thank you to everyone that attended and help make this a special day for members, staff and community.**

**We have only been in the building a few weeks and everything is not totally done. We are getting a price quote for sound boards to help with the echoing in all of the rooms. We are all excited to be home however it will take a few months for everything to get placed and set up. We are currently reviewing applications for a custodian so in the meantime please help us by cleaning up all spills and trash, and if you need help, please ask so we can help you.**

**Members Meetings—We ask that you attend the members meetings so you can let us know what programs/activities you would like to see, trips you would like to take, ask questions regarding the new building and things you see you would like discussed. We can not fix what we do not know so talking about it to others does not get the message to the staff. Our plan for the meetings is to listen and then the staff will discuss and report back to you as to why or why not we did or did not make a change.**

**The Staff and Board would like to wish you a Merry Christmas, Happy Hannukah, Happy Kwanza, and the best in however you celebrate the holidays!**

**2025 will be an exciting year at the Center so please invite your friends to join and lets have fun and grow together!**

## CAPITAL CAMPAIGN GOAL

Our Capital Campaign is well under way. Some may ask why do you still need money? Since we received money from the State and County and others have already donated money to the Capital Campaign Goal. The answer is easy.

1. We are going to have some cost overruns due to pricing and changes that have had to be made that were unexpected.
2. We need to make sure we have funds to purchase all of the furniture and items needed in a new building.
3. Our operating cost will be higher and we need to make sure we have funds to cover those expenses until we find other monies to cover these costs in the future.
4. The campaign recognition we are planning will be a way for members or others to remember or honor someone as a memorial. The recognition program will be on going as a way to continue to make donations in the future.
5. We will be contacting anyone that has already made a donation to the Capital Campaign to see the wording you want used.
